TEMPLE SOLAR PROJECT PLEDGE OF SUPPORT / CONTRIBUTION FORM

Please indicate your level of financial support and commitment for the Temple Solar Projects. Additionally, if your Rotary Club wishes to target funds for a particular project, please indicate how you would like your funds directed to the various projects being undertaken. Before selecting a project you wish to support, Please review the section, **Projects Needing Support**. These projects have been carefully reviewed by the Temple Solar Project Committee and have been deemed worthy of support. They will be supported by host country Rotary Clubs who will check to see that this equipment is being efficiently utilized over a period of at least five years. If you have a project which you feel certain will utilize the equipment, by all means support that project.
